From The Sale Manager

Dear Friends:

It is with a great deal of pleasure that I welcome you to the Waters Farms Polled Shorthorn Production Sale, with a guest consignment from the Alfred Ippensen family.

The W F prefix has stood for modern, economical, performance-proven Polled Shorthorns which have competed with the very best of herds. Throughout all of my travels in the United States and Canada, the Waters herd stands out as one of the most outstanding in type and productivity which makes for a very profitable Polled Shorthorn operation.

Loren and Lloyd have spent twenty-eight years developing this outstanding herd of beef cattle. They intend for this sale to be the "Top Production Sale of the Year", and they have not held back from selling their very best. You will be pleased with the strong offering of serviceable bulls and matron cows, along with a great set of 1974 bred heifers and several 1975 show heifer prospects that could win for anyone.

The cattle from Waters Farms can compete favorably with those from any beef breed, and the numerous show and sale winners have brought national recognition to the Waters family. Lloyd has been named Illinois Breeder of the Year, and he was honored in 1975 by The Shorthorn World as "Builder of the Breed".

You can expect the "cream of the crop" on March 4 from both the Waters and Ippensen consignments. Don't miss this opportunity to purchase some of the most modern and profitable beef cattle to be found anywhere.

If I can be of further assistance, please feel free to contact me.

Sincerely,

Stuart Wilson

Sale Manager

COMMENTS FROM LLOYD WATERS

THE WATERS FAMILY

Dear Friends:

We regret that we are forced to reduce our herd at the present time, due to the age and health of the senior member of our family.

We have maintained the herd since 1947; and as our family grew, so did our herd. It has become nationally recognized through the sale of cattle to many prominent breeders throughout the United States. We will retain only the oldest females in the herd, of which there are fifteen-year-old cows that are still producing regularly.

The cattle will be sold with the standard guarantee since this is not a dispersal. We offer these cattle with the same confidence as we have in the past.

We are proud to have our good friends, the Alfred Ippensen Family, as guest consignors.

We would like to invite all of our many friends and fellow breeders to be with us on March 4.

Sincerely,
Lloyd Waters

P H CUSTODIAN 4th x — "BIG BEN x" — We cannot say enough good things about this bull. He has done it all. Siring bulls that sold near the top at the Polled Congress, the top indexing bull in a Western Illinois bull test station and several champion and top-selling daughters in the Illinois Polled State Sale. His dam was calved in 1953 on the G. E. Smith farm from which many outstanding cattle were produced. His maternal brother was an outstanding sire for the Floyd Hofmeister herd.

W F RED WONDER 6th x — The big, red, ton-plus bull that is admired by all who have seen him in his maturity. He has sired a top-selling bull in an Illinois Polled State Sale, and a champion bull in a Northeast Missouri sale. One of the top-selling females in the 1975 spring Illinois Polled State Sale was one of his first daughters to sell. She went to Leonard Adams, Len-Ru Farms, Hartley, Iowa. Red Wonder x was Land of Lincoln Grand Champion Bull in 1970 and Reserve Grand Champion in 1971. He stood second in class to the renowned Stone Oak Leader x twice.

W F BEN'S PRIDE 5311 x — This was the son of P H Custodian 4th x ("Big Ben x") that we held back to use in our own herd. His make-up was as near to his sire's as any of his sons. Another son will be held back for further use in the herd. Unfortunately, Ben's Pride x was hurt during last year's breeding season and had to be sold. When you see his daughters selling in the sale, you can tell he was truly an outstanding sire.

Homedale Discovery x — A bull selected to put the influence of **Coronet Max Leader 3d x** into our herd. This is the same bloodline that made **Thieman's Polled Shorthorn Sale** so successful last fall.
